DISCLAIMER & RISK ADVICE:

This communication is a marketing communication within the meaning of the Delegated Regulation (EU) 2017/565 and an advertisement within the meaning of Regulation (EU) 2017/1129. This communication is neither (i) an offer to buy or sell, or a solicitation of an offer to purchase, bonds of the Green Finance Capital AG Subordinated Step-Up Bond 2024-2029 („Bonds“) of Green Finance Capital AG („Issuer“) nor (ii) a financial analysis, investment advice or a recommendation. A public offer of Bonds is being made solely to investors, who have their respective seats or residences in Liechtenstein, Austria, Bulgaria, Croatia, Czech Republic, Germany, Italy, Luxembourg, Poland, Romania, Slovakia, Slovenia or Switzerland („Offer States“) on the basis of (i) the prospectus dated 2 April 2024 and (ii) the supplement dated 17 September 2024, which have been approved by the FMA Liechtenstein and notified to the competent supervisory authorities in the Offer States (except Liechtenstein and Switzerland) („Prospectus“ and „Supplement“). In Switzerland, the Prospectus and the Supplement have been approved in accordance with the Financial Services Act (Finanzdienstleistungsgesetz). Investors are advised that the approval of the Prospectus and the Supplement by the FMA Liechtenstein should not be understood as an endorsement of the Bonds being offered. The Prospectus and the Supplement are published, and are available free of charge either as download (PDF) on the Issuer’s website, https://www.greenfinance-capital.com/bond24_29/, or as a paper copy at the seat of the Issuer. Potential investors are recommended to read the Prospectus and the Supplement before making an investment decision in order to fully understand the potential risks and rewards associated with the decision to invest in the Bonds. Prior to arriving at any investment decision, potential investors are further advised to seek individual advice, taking into account their (i) knowledge and experience with respect to investments in financial instruments, (ii) financial situation and (iii) investment objectives (including risk tolerance). Interest payments will not be made to holders of Bonds during the term of the Bonds and will instead be made as a bullet payment (Bullet Maturity). Hence, payments of principal and interest (including compound interest) will only be made either at the end of the term of the Bonds or in case of a termination for cause. Because of Bullet Maturity and qualified subordination, redemption payments of principal and payments of interest as well as compound interest will depend on, inter alia, the solvency of the Issuer at Maturity Date or at any early redemption date. Past performance is not indicative of future results whatsoever. **An investment in the Bonds involves risks and may result in the partial or total loss of the capital invested and the interest and compound interest (risk of total loss).** This communication is not directed at any person that is a US person (as such term is defined in Regulation S of the United States Securities Act of 1933 „Securities Act“) or at any person that has its seat or residence outside of an Offer State. The Bonds referred to herein have not been and will not be registered under the Securities Act. Reproduction, in whole or in part, or distribution, directly or indirectly, of the contents of this communication by whatever means are prohibited without the Issuer’s prior permission.
